

Computer Science Student

WHO AM I?

I am a Computer Science student at the University of Hull, I enjoy learning about computer systems - how they work and how to run and maintain them long-term. I find joy in trying out new skills, new ways of programming, new solutions to problems.

EXPERIENCE AND VOLUNTEERING

2023 – Present	Computer Science Course Rep Acting as a intermediate voice between students and staff. Improving my communication skills.	Hull University Student's Union
2023 – Present	Freeside Admin Various Skills: - Experience emailing department members	Freeside
